

Attention! Check this out!!

Are you a talented artist in recovery?

Are you a; a jewelry artist, visual artist, sewing artist, singer, dancer, poet, sculpture or artist of any medium or genre?

History has taught that our minds are very creative. Often we have used our creativity to express our inner emotions, joy and turmoil! Art is used as an outlet!

This is an opportunity for you to display your creativity!

A place to display your art in a supportive and nurturing environment.
