UNIVERSITY

# PARTICIPANTS NEEDED

## *For a Research Study*

being conducted at

**The Center for Psychiatric Rehabilitation of BU**

**to test a new career guidance intervention called**

### OPENING DOORS

#### Who can participate?

- Individuals diagnosed with a psychiatric condition who would like to pursue a career in the future but are:
  - NOT working full-time or, receiving vocational services
  - able and willing to use computers

#### What does it involve?

- You will be asked to enroll in the study for 12 months
- You have a 50/50 chance of participating in a 12-week group career guidance program that includes individual meetings with a career counselor
- You will be asked to complete questionnaires at the beginning of the study and a few times after that

#### What are the benefits of participating in this research study?

- If you participate in the career guidance program, you will have the opportunity to explore and develop a plan to find work that is in line with your values, interests and goals

#### Compensation and other information about the study

- You will receive \$25 for completing questionnaires each time with the opportunity to earn up to \$185 for completing all aspects of the study
- Your participation in the study is completely voluntary
- You will be required to attend a 2-hour informational session

**ARE YOU INTERESTED?**

Boston University - Charles River Campus  
Institutional Review Board  
Approved: 06/21/17 06/20/18
