

Recovery Story Workshop

- ❖ Starting on Saturday, August 25, 2018. **At PERC 1500 Dorchester Ave. Dorchester, MA (Fields Corner) Lower Level.** We will meet Saturdays for the next six weeks from 10:30 AM to 12:00 PM. Within this workshop, we will understand different ways to explore our recovery, and the art of telling your story.
- ❖ Every week will be using a different art form (inspirational quotes, vision boards, favorite songs, photography, and writing prompts). Each participant will choose from one of these and will present their story/project to the group at the end of week 6.
- ❖ You can only miss one class out of six to receive a certificate.

❖ Please RSVP at 617-788-1034 or sselkovits@baycove.org so we know how many materials we will need to order
