

Join MUCH for a kick-off picnic!

We are excited to invite you to build, heal and connect with

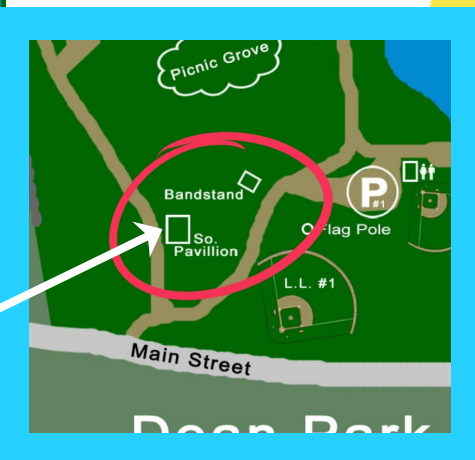

MUCH—Massachusetts United for Community and Healing, a statewide peer network

Coming together in solidarity to support one another, streamline information from across the state of Massachusetts and pursuing matters of advocacy, policy and education as a community,

Join us for a picnic style lunch with sandwiches, salads, sides and snacks!

Enjoy an opportunity to connect with others involved in the peer movement through conversation, games and food. We will be seeking out feedback on what people would like to see happen with this network and to share what has already begun to happen!

Dean Park is a family friendly location with many places to walk and things to do, so make sure to wear your sneakers or bring a blanket to lay out in the grass!

*Dean Park is accessible by bus route 15 through the WRTA and drops off across the street. There is also plenty of free public parking!

When & Where:

September 15, 2018

10:30AM—2:30PM

Dean Park

South Pavilion

805 Main Street

Shrewsbury, MA 01545
