

# Recovery Out Loud Interactive Workshop

Tuesday April 30<sup>th</sup>

1:00pm - 3:00pm

Steppingstone Inc.

First Step Inn Conference Room

134 Durfee St.

Fall River, MA 02720

**The purpose of Recovery Out Loud** is to bring ideas and the experience of peer support to those from many backgrounds. We share the richness of our lived experiences, learn with and from each other, and connect with one another through peer support.

This is an interactive workshop based on self-determination, authenticity, and fun that can foster personal growth through doing a variety of group exercises.

**For details about this FREE event contact Scott Francis:**
