

Recovery Outloud Interactive Event

Monday, May 6th 2:30 PM - 4:00 PM

**A New Way Recovery Center
85 Quincy Ave. Quincy, MA**

The purpose of Recovery Out Loud is to bring ideas and the experience of peer support to those from many backgrounds. We share the richness of our lived experiences, learn with and from each other, and connect with one another through peer support.

This is an interactive workshop based on self-determination, authenticity, and fun that can foster personal growth through doing a variety of group exercises.
