

Recovery Out Loud Interactive Workshop

Thursday May 30th

1:00pm - 3:00pm

Steppingstone Inc.

First Step Inn Conference Room

134 Durfee St.

Fall River, MA 02720

The purpose of Recovery Out Loud is to bring ideas and the experience of peer support to those from many backgrounds. We share the richness of our lived experiences, learn with and from each other, and connect with one another through peer support.

This is an interactive workshop based on self-determination, authenticity, and fun that can foster personal growth through doing a variety of group exercises.
